<b>Part A – You Tell Stories</b>					
I liked the “You Tell” stories.					
I found the “You Tell” stories interesting.					
It was quite difficult for me to understand the stories.					
The stories helped me to learn about friendship/ respect/ diversity/ limits/ resilience (any of these).					
I liked the combination of “You Tell” stories and school subjects.					
<b>Part B – VR Stories (only for 5<sup>th</sup> and 6<sup>th</sup> Grades)</b>					
Using VR equipment for the stories was a nice experience.					
I liked the combination of VR and school subjects.					
It was difficult for me to use the VR equipment for the concept of storytelling.					
<b>Part C – Storytelling in class</b>					
I liked storytelling as part of my class.					

I felt creative during the storytelling class.					
I enjoyed the storytelling class.					
I believe I now have storytelling skills.					
I would like to have more time for the storytelling class.					

THANK YOU! 😊
